Don't worry – I'm not seriously ill. I'm here because I've broken my arm. It happened this morning. I fell off my bike while I was cycling in the park with Linda. She called my parents on her mobile phone, and mum drove me to the hospital.

At first, my arm was very painful, but it doesn't hurt now. The doctor thinks I'll be allowed to leave hospital this evening. But he says I must stay at home for at least three days. He also says I should cycle more carefully in the future!
