So he's jumped off a moving train, and he's driven a car into a deep river. He's also run into burning buildings. 'I don't really get scared,' Simon says. 'I feel very excited when I'm going to do something dangerous. But I'm also quite careful. I think about each job carefully, and I only take risks if it's necessary.'

Simon's had a lot of injuries in his job. He's broken both legs, and he's sprained his shoulder five times. He's also burnt his arms twice. But he doesn't mind the injuries, and he loves his job.
