| 4 magazines  | 8 a lie-in            |
| 5 for a meal | 9 to gigs             |

### Translate

The idea behind this is that students begin to be aware of similarities and differences between English and L1. Emphasize that they must not translate word by word. Obviously it will only be possible to check their answers in a monolingual class, but a multilingual class can discuss their answers together in nationality groups.
