Many young people have a job because they want more money. But Khaled Hasan does his weekend job because he loves it. Khaled works as a helper at a zoo twenty minutes away from his town.

'Every day we prepare the animals' food and clean the animals' sleeping areas. I don't enjoy that so much – it's very dirty!' But Khaled loves working with the animals. 'The bears are my favourites. They're very intelligent! I quite like the monkeys too, but you must remember that they're wild animals, so be careful. People think they're very friendly, but in fact they're quite aggressive, and they've bitten some of my friends.'
